### TRILLIUM™

The RIVA Difference! Trillium™ is ADX's™ patented 3-channel audio technology that enlarges audio image while allowing the power of the audio to be reproduced. What does this mean for you? You get truly immersive sound with deep, powerful bass.

### DESIGNED & ENGINEERED FROM THE INSIDE OUT

### THE POWER OF PURE AUDIO

The ARENA audio design utilizes high performance acoustic components to deliver unparalleled audio quality in a mobile package.

- 50 watts of power
- Three unique ADX™ drivers and three passive radiators that reproduce more of the musical spectrum than any comparable product.
- Patented 3-channel amplification technology with advanced digital signal processing to maximize audio quality.

### UNLIMITED STREAMING

- Chromecast built-in
- Spotify® Connect

### MORE CONNECTIVITY\*

- Wi-Fi
- AirPlay®
- DLNA
- Bluetooth®
- DDMS

### HIGH RESOLUTION AUDIO\*

Play your favorite Hi-Res music! Supports up to 24-bit/192kHz.

### OPTIONAL BATTERY PACK

Imagine all of the audio you can fill 20+ hours with!

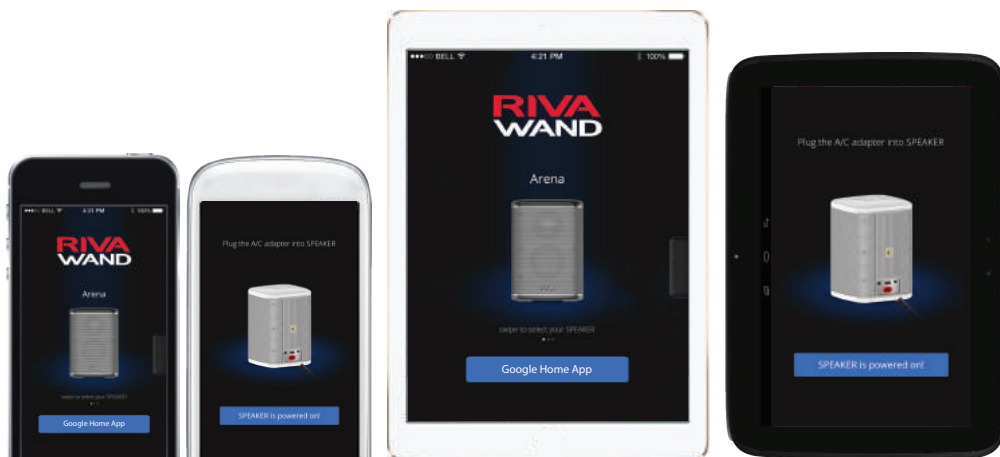

Note: These hours are approximate based on averages as tested in the RIVA labs with various music content at 70 dB.

### RIVA WAND APP\*

Convenient remote control app in multiple languages designed to operate the RIVA WAND series speakers directly from your mobile devices and allow you to personalize your audio streaming experience. The RIVA WAND app offers advanced features including custom EQ settings and playback from local music sources such as USB, AUX and optical inputs.

Don't want to learn a new app? Continue to use your favorite third party apps to stream your audio directly to WAND through AirPlay®, Spotify® Connect, Chromecast built-in and more.

Features, specifications, and appearance are subject to change without notice.

RIVA FESTIVAL is the unconditional, mother-of-a multi-room wireless speaker in RIVA's WAND series that delivers Stereophonic Sound for an unrivaled audio experience and modern lifestyle compliment. Perfect for music enthusiasts craving a LIVE audio experience in the larger rooms of any environment, filling it with 106+dB of audio as close to live as it gets.

RIVA FESTIVAL set up and control is easy through the Google Home app. Use your favorite third party apps to stream your audio content directly.
